BANGLE

Improve Performance Relieve Pain

Relieves pain in
hands, wrists, elbows
& shoulders.

What is a Tri-Vortex™ Bangle?

The Tri-Vortex™ stainless steel Bangles have been treated in a unique Tri-Vortex™ chamber for over 24hrs. The Bangles get treated with a totally safe and natural energy field that observes nature's powerful and logical rhythms.

Wearing the Tri-Vortex™ stainless steel Bangle for Pain Relief

You can wear the bangle on the left or right wrist – preferably on the side where the most pain is experienced. In the case of more severe pain, a bangle can be worn on each wrist. The powerful energy fields of the Tri-Vortex™ treated Bangle create flowing molecular structure giving you energy, vitality, balance and relief from pain. Many Tri-Vortex™ clients have reported fast relief from discomfort, soreness, swelling and pain – see www.trivortex.co.za for testimonials.
